## YOU CAN CHANGE THE FUTURE

A strong public library provides the community with a solid foundation for the future. Your gift of time, money, or materials will enrich the lives of people in your community for many years to come.

Your Library, like hospitals and cultural institutions, must raise funds from non-traditional sources. Donations to the Spruce Grove Public Library help create innovative new opportunities for learning and growth.

## YOUR GIFT WILL MAKE A DIFFERENCE

For more than 40 years, the Spruce Grove Public Library has helped fulfill people's need for knowledge, entertainment, and education.

The city of Spruce Grove and surrounding communities are growing rapidly. Last year there were over 130,000 visitors to the Library. We need your help to meet the growing needs of our community.

Your contribution supports important library services that otherwise might not be offered due to a lack of funds.

You can play an important part in meeting the many challenges the library faces by making a donation to the Library today.
